

# Getting Ready

I will pack a bag with everything I need for the day. If it is sunny I should pack a hat, sunglasses, and sunscreen.

## What is a Fan?

A fan is someone that cheers for a team. Some fans may dress up in the clothes with the team's name, logo, or mascot. Some may not.

# Getting Dressed

I will wear the colors of my favorite team. The colors of the Phillies are red & white.

# People at the Ballpark

People who work at the ballpark are called staff. Staff help people enter the ballpark, find their seats and follow park rules.

Police officers will also be there to help people follow the rules.
