

Bathrooms at the Ballpark

As soon as I need to go to the bathroom I should tell a grown up in my group, because there might be a line and I will have to wait my turn. Bathrooms are labeled with signs.

Leaving my Seat

If I leave my seat, when I return the staff might have me wait at the top of the section my seat is in until a pause in the game. I do not want to disturb or block the view of other fans.
